

Skills for Life Experts Dazzle Delegates

Crystal Chandelier, Learning South West's Skills for Life project, secured internationally renowned English language and numeracy experts as speakers at two recent conferences held in May.

David Crystal, with over 40 years dedication to the field of Language through books, articles and other publications kept 241 delegates spell-bound with his no-nonsense approach to language teaching.

Steve Chinn, equally well known for his expertise in Mathematics, Dyslexia and Dyscalculia gave a virtuoso performance at the numeracy conference held on 19 May 2007.

Amanda Bailey, a Basic Skills Team Leader said of the David Crystal Conference: "Simply brilliant. The best event attended in years!"

While Stephen Kendrick, a Learning Centre Tutor said of the Steve Chinn Conference: "It is very rare to attend an event where everything is relevant, useful and enjoyable. That happened for me today, thank you!"
