About Your Project:

1. What is the name of your project?

2. How many young people are involved in your project (including yourself)?

3. Please tell us about your project and the difference it will make to the young people in your community. It is important you give us as much detail as possible: what is your idea, what is unique about it, how your project will run, where will it take place, what does the activity look like?

4. Who will directly benefit from your project and how? How many people will benefit?

5. How is your project unique to your location/community? What issues will it address?

6. What challenges or obstacles do you think you may encounter during your project? Who can help you overcome these - do you have a youth worker or teacher supporting you? Please be aware that if your project requires certain 'deal breakers' in place for it to run, this must already be established. E.g. if you need to get permission from the council to use their land, this must already be in place.

Budget – Please complete this budget sheet which asks you to itemise total project costs. There is a separate column for items you would like Youth Action to fund and costs which will be covered through other means (in kind/different grants). Please include additional support you might need, such as refreshments.

Youth Action can pay grants of up to £2000. Your grant cannot be used towards staffing costs.

Item - (eg venue hire) Use headings that best describe the activity	Cost	Amount sought through Youth Action funding	Amount to be funded from other sources	Non-Youth Action source - eg, own funding, local authority.	Have you secured other funding needed? If not when do you hope to have this by?
